## REDFIELD ESTATE...

built in 1929 has the picturesque look of a Northern European  
country house. Its design reflects the style and taste of an earlier  
era; carved purling, **BEAMED CATHEDRAL CEILING**, original  
patterned fireplace, floor tiles and beautiful woodwork.

Enjoy the views outside through the **BREATHTAKING  
LEADED GLASS WINDOWS** throughout the house.

A loft area overlooking the Great Room is ideal for musicians to  
perform, or the perfect place to toss the bouquet. The **ELEGANT  
BRIDE'S ROOM** is perfect for the bridal party's preparations. Use  
of our on-site commercial grade catering kitchen is also included.
