

PARK CENTER PRESCHOOL

NATURE WALK PERMISSION FORM

Dear Preschool Family,

We would love to take your child on nature walks around the outside areas of the Park Center Building. Nature walks will be kept to the fields and trails that surround the building and will happen after 9:30 AM and before 4:30 PM so that they do not interfere with drop-off and pick-up times. We will maintain DCFS ratios at all times and will stay away from the lake's edge and follow all DCFS safety protocols.

I _____ give my child

_____ permission to go on nature walks outside of the Park

Center Preschool wing with the preschool team.
