GROWING **PRACTICES**

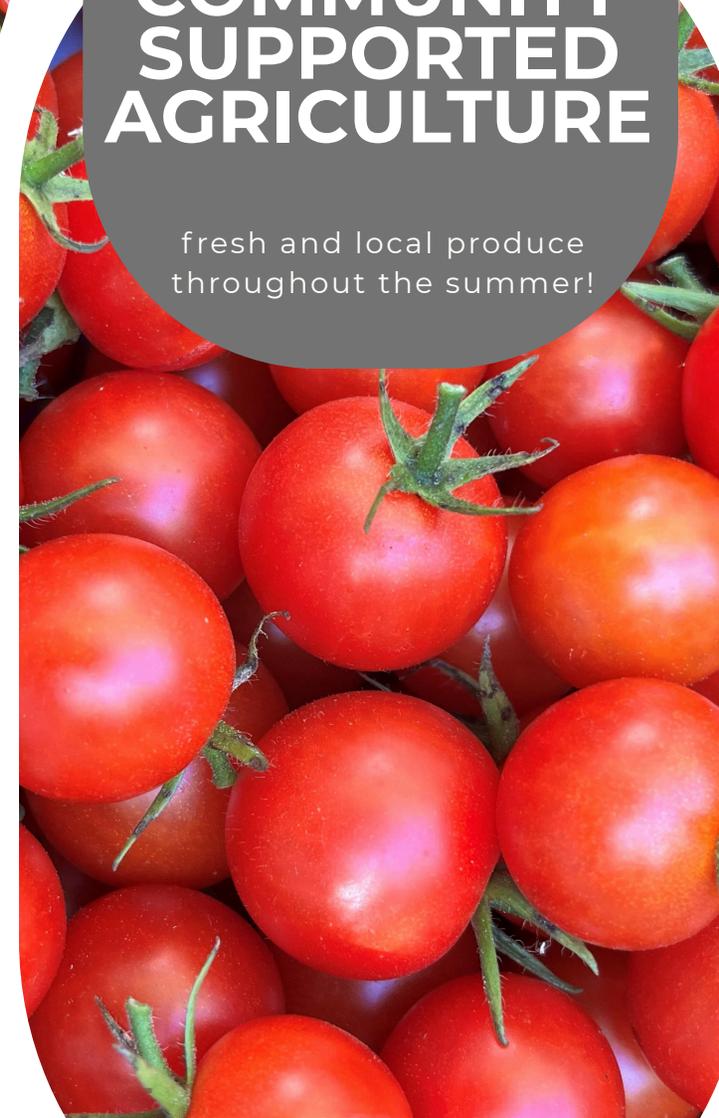

We adhere to all current food safety regulations set forth by the FDA through the Food Safety Modernization Act. While we strive to follow organic standards using an integrated pest management approach, we are not certified organic. Feel free to inquire about our farming techniques at any time!

READY TO SIGN UP?

Sign up today and enjoy 15 weeks of fresh produce for just \$500. Additionally, you can include a dozen of our farm-fresh eggs each week for an extra \$90.

INVEST IN LOCAL FOOD

When you join as a CSA member, you agree to partake in both the abundance and the risks associated with our crops. We commit to doing our utmost to deliver a generous share each week; however, at times, Mother Nature may have other intentions. We maintain weekly communication with our members, sharing essential information and updates regarding the crops.

2026 DETAILS

CSA Pickup takes place each week on Tuesdays & Fridays from 3-5pm at Wagner Farm. CSA will begin the week of June 22nd and run through the week of September 28th.

FARM FRESH

At Wagner Farm, our dedicated staff, student farmers, volunteers, and interns cultivate more than 100 diverse varieties of fruits and vegetables annually. We produce a wide range of produce, from arugula and tomatoes to watermelons and beyond!

WHAT IS CSA

CSA stands for Community Supported Agriculture. It offers a delightful and cost-effective way to purchase fresh, local produce while also supporting your local farm and the educational opportunities we provide. As a member, you will enjoy a diverse selection of produce each week, from the end of June until the beginning of October.
