

# 2026 Annual Plant Sale

Saturday, May 16 • 10 a.m. to 4 p.m. and Sunday, May 17 • 10 a.m. to 2 p.m.

## Hardy Native Plants: \$9 per 4" potted plant

This year's native plant offerings include a wide selection of forbs, grasses and sedges suitable for a variety of soil, moisture and light conditions. Native perennial plants not only benefit the environment by promoting a healthy ecosystem, they provide a beautiful, hardy, drought resistant landscape with lower maintenance! Additionally, they provide critical resources to nourish pollinators like bees, butterflies and hummingbirds.

Our Native plant supplier, Midwest Groundcovers, grows its plants in a facility that does not use neonicotinoid pesticides and are guaranteed to be neonic free.

All proceeds support the work of The Grove and the Grove Heritage Association. Thank you for your support!

-Megan Carroll and Rob Hevey

**Pre-order sales are encouraged.** Please complete the section below and return your order and payment by Monday May 4, 2026 to Grove Heritage Association, P.O. Box 484, Glenview, IL 60026.

Pre-ordered plants will be available for pick-up at The Grove on Saturday, May 16 from 9:00 to 4:00 p.m. or on Sunday, May 17 from 10 a.m. to 2 p.m.
