

Bumper Car PROGRAM WAIVER & RELEASE

IMPORTANT INFORMATION

The Glenview Park District is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Glenview Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program must recognize that there is an inherent risk of injury when choosing to participate in recreational activities.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for on ice activities. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

WARNING OF RISK

Bumper cars are intended to challenge and engage the physical, mental and emotional resources of the participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including but not limited to head injury, neck or back injury, wrist and ankle fractures, and other orthopedic injuries to limbs and joints. The very nature of bumper cars on an ice rink is risky, including but not limited to slip and falls, colliding with other riders of varying degrees of skill (including being struck from behind), moving over irregular ice surfaces, , inadequate or defective equipment horseplay, carelessness, poor technique, poor conditioning, rule violations, striking a stationary object, premises defects outside the rink, and all other risks inherent. In this regard, it must be recognized that it is impossible for the Glenview Park District to guarantee absolute safety.
