GLENVIEW PARK DISTRICT
ORDINANCE NO. 2026-12

AN ORDINANCE AMENDING SECTION 3.02 OF ORDINANCE O-2024-10

WHEREAS, the Board of Commissioners has previously adopted Ordinance O-2024-10 regulating the use of the Park System; and

WHEREAS, the Board desires to amend Section 3.02 of said Ordinance regulating the use of the Park System by providing a speed limit for the operation of certain devices when on Park District Property.

NOW, THEREFORE BE IT ORDAINED by the Board of Commissioners of the Glenview Park District, Cook County, Illinois:

Section 1 Section 3.02 of Ordinance O-2024-10 is hereby amended as follows (deletions marked by ~~strikethrough~~ and additions marked by underline):

Section 3.02. Use of Micromobility Devices

Micromobility Devices refer to a category of small, lightweight devices designed for personal transportation. Micromobility Devices do not include "low speed electric scooters" as defined by the Illinois Vehicle Code, 625 ILCS 5/11-140.11, which are prohibited at all times within the Park System. These devices are typically designed for use in urban and suburban areas to facilitate short-distance travel. Common examples include:

(a) Electric bicycles (e-bikes): Bicycles equipped with an electric motor that assists with pedaling making it easier to travel longer distances or up hills without excessive exertion. Class 1 Pedal Assist Bicycles (defined as having a motor that can reach a speed of no greater than 20 mph and said motor only works when you pedal and there is no independent throttle) are permitted as set forth herein. Class 2 and Class 3 e bikes as defined by Illinois statute are not permitted in the Park System.
(b) Hoverboards: Self-balancing boards with two wheels, powered by batteries.
(c) Skateboards: Electric-powered skateboards used for short trips.
(d) Segways: Two-wheeled, self-balancing personal transporters.

No Person using Micromobility Devices shall interfere with pedestrian use of sidewalks or vehicle use of the streets, or otherwise act negligently, recklessly or without due caution, or in any manner so as to endanger any Person or property nor use same where such use has been posted as prohibited.

When two or more Persons in a group are operating Micromobility Devices, they shall not ride abreast but shall ride in single file.

No Person operating a Micromobility Device shall cling or attach any part of themselves or their Micromobility Device to any other moving vehicle.

The operator of a Micromobility Device emerging from an alley, driveway or building shall, upon approaching a sidewalk or the sidewalk area extending across any alleyway, yield the right-of-way to all pedestrians approaching on said sidewalk or sidewalk area, and upon entering the roadway shall yield the right-of-way to all vehicles approaching on said roadway.

No Person operating a micromobility device shall carry another Person on the same device. This restriction does not apply to tandem bicycles or child safety seats. In those cases, there shall be only the number of Persons on the bicycle as there are seats or saddle.

No Person shall operate an electric bicycle on District property between thirty minutes after sunset and thirty minutes before sunrise, without a clear, white, properly lighted headlight, visible under normal atmospheric conditions from the front therefore not nor less than 500 feet and firmly attached to the device, and without a red reflector firmly attached to the device, which is clearly visible in the headlight beam of an automobile for a distance of 500 feet to the rear of the bicycle.

No Person may operate a Micromobility Device on District playground surfaces, athletic fields, athletic courts, or sidewalks except small children riding three or more-wheeled bicycles while under the supervision and control of an adult. This restriction does not apply to operating a bicycle on a designated bicycle pathway.

No Person shall ride a Micromobility Device on any park district owned or managed street or path where signs are posted prohibiting riding Micromobility Devices on those streets or paths.

Micromobility Devices shall not, at any time, in any place, be indiscriminately parked by anyone in such a manner as to actually or possibly interfere with pedestrians or traffic, or with Persons getting into or out of automobiles. No Person shall leave a Micromobility Device lying on the ground or pavement or set against trees or otherwise in a place that may create a safety hazard or interfere with the use of the area for recreational purposes. No Person shall move or in any manner interfere with, any Micromobility Device which is properly parked, nor shall any Person interfere with, or in any manner, hinder any Person from properly parking a Micromobility Device.

All Micromobility Devices, when operated on roadways, shall be kept to the right and shall be operated as nearly as practicable at the right-hand edge of the roadway or path.
No Person shall operate a Micromobility Device on District Property at a speed greater than is reasonable and safe under the circumstances, having due regard for traffic, pedestrians, weather conditions and the intended use of the roadway, and at no time at a speed greater than ten (10) miles per hour nor faster than is reasonable and proper. Every Micromobility Device shall be operated with reasonable regard for the safety of the rider and of other Persons and property.

/REMAIDER OF SECTION UNCHANGED/

Section 2 All other Ordinances or parts of Ordinances in conflict herewith be and the same are hereby repealed to the extent of such conflict.

Section 3 This Ordinance shall be in full force and effect from and after its passage and approval according to law.

PASSED this 22 day of October 2026.
